We've fused the Outie Tool patented ends into one end for a new smaller tool. The FUSE fits flat into aligner cases, with an easy grip handle and the same hook and lever it easily removes both top and bottom aligners.

The only 2 in 1 remover
Hook removes top aligner
Lever removes bottom aligner
Fits flat in aligner case
Ergonomic easy grip handle
Slim tapered ends
Painless extraction
Dimensions 3" x 15/16"
Patent Pending

Makes it easy to wear invisible braces!®
